

## Press Release

---

### **Centum Electronics received new order from an Indian Defense Enterprise**

Bangalore, 2<sup>nd</sup> Sep 2014:

Centum Electronics Limited (Centum) received a new order worth Rs. 71 crores from a Government of India Enterprise for the supply of a mission critical product. The delivery of this product will be as per schedule given by the customer and is likely to be completed by 3<sup>rd</sup> quarter of 2015-16.

The customer also has an option to repeat the order at same terms & conditions after completion of 2/3 of Order Value but before the completion of the full order.
